RE: Ryan Fitzpatrick

September 2, 2015

Dear Mr. Welter,

Gresham High School is seeking an eligibility waiver for Senior Ryan Fitzpatrick. Ryan currently has 17 total credits, leaving him .5 short of Satisfactory Progress Toward Graduation, Rule 8.1.2.

Ryan has a plan in place to retrieve credit during the upcoming school year as outlined in a letter from his counselor.

Ryan has had some significant family issues which have impacted his academic success. Last year Ryan had to be granted a waiver due to his living situation after transferring to Gresham from the North Clackamas School District. He lived with his mother in the home of another family member. Financial constraints have dictated that Ryan and his mother maintain this living arrangement for this coming school year. Ryan wants to participate in football this season. We feel being involved in athletics will help him reach his goal of earning his high school diploma.

I have attached the letter from his counselor as well as one from his mother and Ryan himself. Please contact me if you have any questions about this request. Thank you in advance for your consideration.

Sincerely,

Todd Nagel
