Dear Parent/Guardian:

This letter is to acknowledge receipt of your written notification to provide home instruction for your child during the 2015-2016 school year according to Oregon Revised Statute 339.030. Please contact NWRES D immediately if any of the information below is incorrect.

<u>Student Name</u>	<u>Date of Birth</u>	<u>Resident School District</u>
Starr, Cierra N	2/9/1999	Beaverton

As a further compliance with the statute, parents are responsible for having their child's educational progress evaluated according to ORS 339.035. Failure to comply with appropriate examination requirements could result in your child being non-compliant with home school regulations and no longer eligible to home school.

Just as a reminder, Home schooled children must be tested before the end of grades 3, 5, 8, and 10. For further information and guidelines, please visit the Oregon Department of Education's website: www.ode.state.or.us.

It is understood you may terminate notification for home instruction at any time and enroll your child in your local school. Please contact us immediately if you change your residence or if your child returns to public or private school.

If we can be of assistance, please contact us at 614-1626 or 1-800-295-3750.

Sincerely,

Rob Saxton
Superintendent
