Dear Mr. Medley,

I made a deal with my mom and dad when I was a junior in high school that I can come home to Scappoose for my senior year of high school. I never liked Alaska and I don't want to be there anymore.

My interests are in computer technology. Last year what kept me going in school was being able to attend the trade school part time to study basic computer which I was one of two students in the class that received the certification needed to work for Geek Squad or other computer service type jobs. I want to explore colleges in Oregon because computer technology is where I want to go in regards to a career and I know that I have better options for me here in Oregon.

I know that I have to get my high school diploma to move on to college. I am excited and committed to having a great school year at Scappoose High School.

I don't want to live in Alaska because it is too dark and cold in the winter. I have friends here in Scappoose from when I grew up here before I moved to Alaska. I want to graduate with my class from my home school.

I want to be around my family in Oregon. My dad's family is from and lives in Scappoose and I enjoy being around them. I also like my sister Sue and her family and enjoy living with them. My home is in Oregon, and I am happy to be back.

Thank you,

Jacob Schmit

Dear Mr. Medley,

Our son, Jacob Schmit, has recently enrolled at Scappoose High School for his senior year.

In 2008, a new job opportunity moved our family from Scappoose to Alaska and Jacob never adjusted to living in Alaska. Prior to his junior year in high school he asked to return to Scappoose for high school so we promised him we would consider it for his senior year. Jacob has close family in Scappoose who have agreed to have him live with them.

While in the Anchorage School District and a private Catholic High School in Alaska, Jacob's grades drastically changed from the honor roll in middle school to just passing in high school. Jacob is a smart boy who excelled in a trade school opportunity last year and received a certificate in basic computer operations which qualifies him for jobs at the Best Buy types, but he is too young to meet their employment requirements.

We are hoping that Jacob's move back to Scappoose will allow him to become reacquainted with his friends from grade school in Scappoose, and to reengage in his studies in preparation for college. Jacob is a well behaved boy who is very involved in computer technology. A year ago Jacob built his own computer which he still uses today. Jacob often talks about moving on to college where he can focus on his interests.

As concerned parents regarding Jacob's social skills, we had Jacob talk to a social worker on several occasions and they felt it is possible that the dark in Alaska contributes to mild depression. We have not had any behavioral problems with Jacob and don't expect we will this year. As parents, we just want to see him enjoy his last year of high school and excel as he begins preparing for a future career.

If you have any further questions, please do not hesitate to ask. Our address, emails, and phone numbers are above.

Thank you,

Debi Schmit

Cowapa Hardship Committee,

This is a letter to request eligibility for Jacob Schmit to participate in extra-curricular activities at Scappoose High School. Jacob recently moved in with his Sister in Scappoose where he used to live due to a couple different items. He has been living in Alaska with his mom and dad and had a hard time adjusting to the climate, and living situation. They are currently living in a motor home and it has been very tough for Jacob to have a positive school experience. His mother feels that being here will be a better environment for Jacob going forward in preparing for college. We will be monitoring his grades for his parents and doing our best to get Jacob on track for his senior year. If you have any questions please email or call me.

Thank you

Sincerely,

Robert Medley

Cowapa Hardship Committee,

This is a letter to inform you of the lack of letter from Jacob Schmit's last school with clearance. Steven attended high school in Alaska at and I have made no headway getting a letter from them. I am continuing to work with them but do not want to hold this up any longer. When and if they send it I will attach and forward to everyone. As you can see by his transcript his grades were passing and they have informed me that he was a solid character student. Please excuse the lack of this letter when considering eligibility.

Thank you

Sincerely,
