To Whom it May Concern:

My name is Jose Gonzalez. I write this letter as a parent with the utmost interest in my son, Pedro Gonzalez-Gonzalez, a Junior-year student at Aloha High School in the Beaverton School District. I would like to request that the State consider granting approval for Pedro to fully participate in Aloha High School's soccer team in order to aid his development of being a well-rounded student.

Currently, Pedro is unable to participate in soccer games due to one credit that he did not pass during his freshman year in the 2013-2014 academic period. During that period, Pedro did not have the support he needed to exert himself in his studies from my wife and I. At that point, marital struggles undermined our support for Pedro in his schooling.

Fortunately in this past sophomore year of high school, Pedro passed all of his classes. He has been performing well in his studies. Presently, we are focused on Pedro thriving in his education, which will allow him to fully participate in athletics at Aloha High School.

Thank you for your consideration.

Sincerely,

Jose O. Gonzalez-Villaraldo
