To whom it may concern

I'm writing this letter in support of Zaccary Rodriguiz, I met Zaccary a couple weeks ago when he showed up for football practice. Zaccary and his younger brother Josiah are new to football and school at Yamhill-Carlton. After the first day of practice Zaccary introduced me to his mother Luciana. The third day we were running a bag drill when Josiah got hit by a pile and hit his head on the ground. After observing Josiah I called his mother to the field and suggested she get him checked out. After practice was over I went to the hospital to see how Josiah was doing. Luciana and I had a couple of hours to talk and she told me their story and why they moved and are living at the 5Rock Ranch. Zaccary had to help his mother take care of the family at home and missed a lot of school the last year. Zaccary and the family have had to deal with some terrible things the last couple of years. I've spoken to Luciana a couple of times in the past weeks and she said Zaccary is doing better than he's done in some time, I think it would be in Zaccary's best interest to give him a chance to play football this season. We as a coaching staff teach and mentor our kids in more than just football. We talk about respecting one another, their parents, teachers, classmates, and opponents, officials, etc. and work on being a better person every day. As a program our team shirts have the words Faith, Trust, Family on the front and we try to live by those words every day. I want to thank you for taking the time to read the letters from friends and family and for allowing Zaccary to participate in football this year.

TO WHOM IT MAY CONCERN

Re: Zaccary H. Rodriguez

Dear Sir/Madam,

I am writing in regard to my son, Zaccary H. Rodriguez. He is just registered to Yamhill Carlton Highschool for this coming school year. Zaccary is also signed up to Yamhill Carlton Football. However, he is not allowed to play because he doesn't meet the minimum credit requirement.

Zaccary was a student at School of Science & Technology at Beaverton. He is very smart and a focused student. However, unfortunately, last year was very rough for us as family and for him as the oldest child in the family. I was diagnosed with breast cancer and having to go treatments which affecting my ability to care for the house, my 4 years old daughter. Zack took most of the responsibilities from me that caused him missing a lot of his school days. I also had to work graveyard shift to be able to provide for my family financially since I am the sole provider for my family. My ex husband is not involved in our life due to domestic violence; my children and I are DV survivors. I have sole custody of my children.

I have to quit my job due to my illness and we all moved to 5Rock Ranch at Yamhill in May so that I can focus on my treatments and care for the kids. I also signed my boys; Zaccary and Josiah to Football because they love the sport. It appears that they are very fond of the whole team and feel very welcomed. Zaccary is committed to fix his grades that now he's no longer having to be co-head of our family. I am confident that he'll do so much better this year.

I am humbly asking to allow Zaccary to participate in the Football game. Zaccary accepted the consequences of his bad grades but I feel he should be given a chance since it was not entirely his fault.

Thank you for your consideration.

Sincerely,
