Re: Treyshawn Holland

I am writing this letter of hardship for Treyshawn Holland. Treyshawn is requesting to play football for Jefferson this year but did not pass the minimum number of classes last June 2015. Treyshawn did meet the standard for total credits towards graduation prior to his junior year. The last two years Treyshawn has struggled with a unstable home life. Treyshawn did not make it to school for various reasons. His mom has filed and received Title X status from Portland Public Schools. Portland Public Schools Title X Homeless Education program exists for those students that do not have a fixed regular and adequate living situation. See attached letter from Treyshawan's mom, Barbara Allen. Treyshawn has shown that with academic support from his football coaches he does better in school. For year the past two years Treyshawn's grades have dropped the second half of the year when Treyshawn is not participating in sports. Participation in the Jefferson football program would help provide Treyshawan with a positive supportive environment. Treyshawn is currently attending all his classes and has 1 tardy. See Sept. 4th attendance report. Treyshawn is working with his SEI, "Self Enhancement" coordinator, Aanen Trelstad on a plan to graduate on time. I have also attached letters from the Jefferson football coaches in support of Treyshawn. Jefferson High School can provide Treyshawn with tutoring services in partnership with Portland Community College and Self Enhancement. The Jefferson athletic programs are one more layer of support that can truly motivate our students.

Thank you for your attention to this matter.

To whom it concerns:

I, Tre Holland and Barbara Allen, mother of Tre, would like to pursue a hardship for Tre so that he may participate in athletics. Know that the reason Tre failed classes in June is because we became homeless in late April of 2015. We slept in many different homes but the majority of the time was spent in a homeless shelter. Tre did not have a place to stay for over three months. In addition, I Barbara Allen was hospitalized for three weeks. This is the reason Tre was unable to consistently attend school. Please consider allowing him to join athletics with a hardship. Tre is also a better student when participating in sports. Thank you.

Sincerely,

Barbara Allen

To whom it concerns:

My name is Montral Brazile, football and wrestling coach at Jefferson High School. I have watched Treshawn Holland struggle in his family circle for the past ten years. His mother is a drug addict that has recently dragged Treshawn along with her into homelessness. Needless to say, his grades have been affected. Many other immediate family members also present a negative role model for him. His most success academically and behaviorally has occurred during the last two football seasons at Jefferson as he has been surrounded by positive men that tutor and counsel him. We want to continue to assist this young man and provide an opportunity of success. Please consider allowing this young man to continue with some sense of hope.

Thank you

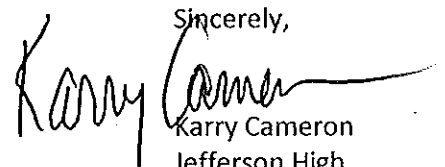

A handwritten signature in black ink, appearing to read "Montral Brazile", with a long horizontal flourish extending to the right.

My name is Tre. I hope you will let me play football. This is the first time that I might not be able to play. My grades were bad because I couldn't get to school sometimes. Sometimes I didn't have clean clothes. Grandma had to pick them up and wash them. I am in a better place now and will be able to come to School. I will do great this year if you let me play. I will not let anyone down. Thank you.

A handwritten signature in black ink, appearing to be 'Tre', with a long, sweeping flourish extending from the end.

Dear Hardship Committee,

I have known Tre Holland for the past three years. He comes from a dysfunctional family and has even been homeless for several months. Tre is the type of young man that could benefit tremendously by being in the presence of us football coaches to assist in mentoring this young. Without athletics I fear that Tre may become another negative statistic of kids that end up in prison. I pray that you will assist us to assist in saving a life.

Sincerely,

Karry Cameron
