We were planning on him starting his freshman year at bend senior high, but a job change for myself had arose and I felt we needed the change. So we moved to a little town called Carlton around the middle of summer. Dylan wanted to play football in bend so naturally we enrolled him here in the same program. As time went by I realized how much we missed bend and all of our friends and family there. I felt I had made the wrong choice after feeling I was positive I had made the right choice. We immediately started packing and moved back before school was to start. We have found a place in the bend/la pine school district at 61434 edro pl. 97702. This was a sure sign that it was meant to be. Dylan is very excited to start football at bend senior high and can't wait to be apart of their team. Thank you for your time.
