To whom it may concern:

My name is Vickie Kraft I am the mother to Colby and Shelleen Williams. we just move back to Oregon from Montana after 10 years. I was looking at the schools in my area and did not think that the Salem schools would be what was best for my kids. I felt that having a child with ADHD a smaller school would benefit her. And a smaller school would benefit my son with his sports. My job is in Scio OR so getting my kids to school is also no problem. Thank you for you time and understanding. If you have any more questions or concerns with my dissections on what I feel is best for my kids please contact me.
