Dear Oregon School Activities Association,

I am writing this letter in support of Emaleigh Sizemore, a sophomore student-athlete at Douglas High School. Emaleigh transferred to Douglas High School from Irvine High School in California.

Please look at her transcripts, they indicate the personal struggles that Emaleigh endured last semester. Emaleigh passed only four classes last semester, leaving her one short of being eligible for her Volleyball season. She is currently a Junior Varsity (JV) player that has been at every practice and every game supporting her teammates. I believe that Emaleigh has made the connection of academic importance and the privilege of competing in extra-curricular activities.

Please consider granting Emaleigh a hardship, which would allow her to compete in OSAA volleyball contests immediately.

Sincerely,

Kevin Wilson

Assistant Principal / Athletic Director
