Dear OSAA - Tom Welter,

Please accept this letter in support of Joey Kibbey's request for eligibility. Joey has taken seven classes each semester since he came to McNary High School. He has passes all each time. Last semester he passed only four classes. This was unusual and out of character. Joey struggled last semester. This struggle was not something out of his control. He made a couple of choices that were not in his best interest.

I believe Joey has learned from his discretions and will take care of business in the future. I recommend that he regains eligibility at the end of the third week of classes based on passing all classes at that time, perfect attendance, and no discipline referrals. In the past Joey had great attendance and had no discipline issues. I am sure he can get back to that standard.

I do think athletics is in the best interest of Joey Kibbey. My recommendation would be to restore Joey's eligibility after three weeks with conditions. If you have questions please call.

Sincerely,

Ronald J. Richards CAA
