Dear Hardship Committee,

I am writing this letter on behalf of two brothers Jordan and Bud Kenetta, who are transfer students from the neighboring district. Both boys are living in a foster placement with their grandparents and were allowed to transfer to Alsea via the McKinney-Vento Act. A review of their transcripts show that Bud is on track to graduate, but Jordan is behind two credits. Consequently, Jordan is enrolled in our online credit recovery program (one that is not offered in his previous district) and is showing solid commitment and progress. I believe that it is in the best interest of both boys that a hardship be granted that would allow them to play football this fall. Both boys are huge sports fans and at their best when on a team and focused.

Additionally, we have Jordan on a credit recovery path that is part of his regular school day in which he is working with a teacher and doing online courses to make up for the credits he is missing. Because of this program he is presently ahead of pace and now on track to graduate with his peers.

I believe that Jordan and Bud are good investments and would be worthy of your utmost consideration. If you have any questions or need more information concerning the boys, please feel free to call me at 1-509-220-5313.

Sincerely,

Marc Thielman
Superintendent/K-12 Principal
