To whom it may concern;

As the host parent of Vanessa Gajdosova I am writing you to inform you of why Vanessa is attending North Bend High school. Yes we live in Coos Bay. I nanny for a family that lives in North Bend so I spend a lot of my time in North Bend. For the convenience I did an inter district transfer for my exchange student to attend North Bend High School.

No one from North Bend High school or I recruited Vanessa for her athletic ability.

I am sorry for the inconvenience and trouble that this has caused but I am asking that you allow her to participate fully as a North Bend High school student by attending school there and have the opportunity to play sports this school year.

If you need any additional information, please don't hesitate to contact me.

Sincerely,

Sara Van Vlack

To Whom It May Concern;

As the ICES Regional Director of Oregon, I would like to verify the following details regarding the placement of Vanessa Gajdosova with Aaron & Sara Van Vlack:

- The Van Vlacks live in Coos Bay, but Sara works as a nanny for a North Bend family and picks up their children after school. For convenience sake, she wanted her exchange student to attend North Bend Schools as well.
- Vanessa was not recruited for her athletic ability

In light of these circumstances, I request that you grant Vanessa a Hardship Waiver so she can participate fully in student life at North Bend High School this year.

If you need additional information, please don't hesitate to contact me.

Sincerely,
