To whom it may concern,

I am writing this letter on behalf of my son, Austin Harvey. He is returning to Sweet Home High School after a year at Madras High School. His father and I made a deal with him that he had to go at least one year there because that is where we moved, and if he didn't like it we would let him return to Sweet Home.

He was unhappy at Madras due to conflicts between the different races, he was bullied, and was miserable. His grandmother ended having surgery and she is not in good health so his father and I decided to let him return to Sweet Home. It is a decision that has not been easy for us as parents, but we want what is best for Austin and it is being with the friends that he has had since the 5th grade and with his grandmother whom he is very close to, as well as his aunt, uncle, cousins, other grandmother, and great grandmother.

Sincerely,

Roxanne Harvey
