

Steven Brown - AH**SH' AD letter****#4**

From: Steven Brown
To: SkyEm Athletic Directors
Subject: AH

To whom it may concern:

Austin is a returning student to SHHS. It is my understanding that he went to school here in Sweet Home until his parents moved to Madras for the 2014-15 school year. I briefly met with his mother on the day he enrolled. His story is that he has moved back to help take care of his grandmother who is ill. Austin is on an IEP with a designation of 90 (Specific Learning Disability) One of Austin's IEP concerns is how the student's disability affects involvement and progress in the general education curriculum. Austin is challenged by his lack of attendance. He seems like a nice young man who is wanting to belong to something. I don't see him as a star athlete. My hope is that being involved in sports will help him become a better student. I'm hoping to get him to go out for wrestling which will help him be a part of a family atmosphere. Austin stated that he had been bullied while at Madras. I talked to Evan Brown and he said he had no record of it. I would like to see this "Tweener" become a healthy contributing member of our school environment.

A handwritten signature in black ink, appearing to read "Steven G. Brown". The signature is fluid and cursive, with "Steven" on the left and "G. Brown" on the right.
