

To whom it may concern,

I am writing to request that my son Pedro Jimenez, be allowed to play fall soccer. I know that Pedro has not been doing well in school and believe that he is figuring this out now. His grades and ability to pass classes has improved more this last year than ever. Pedro has insured me that he will carry a travel card, attend study ~~sess~~ sessions, and be committed to his studies this year more than ever. We would have had him attend summer school if we knew about the credits being short. Our goal is to have him graduate on time. I would be happy to talk with you about Pedro. You can contact me for a meeting or call me anytime.

Thank you for your ~~pleant~~ prompt attention to my request
