*To Whom It May Concern:*

*This letter is written on behalf of Devon Atterberry for consideration of a hardship allowance to participate in our sports program. He has met with me to create an aggressive plan to get his academics back on track and to earn the required credit to graduate on time with his class. I believe in this student and the self-motivation he needs to advocate with his teachers and accomplish his goals. I fully support his plan as one that is sound and appropriate for his academic success. Attached please find a copy of his proposed plan.*

*Don't hesitate to contact me if I can give further information or answer any questions you may have.*

*Thank you for your consideration!*

*Sincerely for students,*
