Sept 10, 2005

Dylan Brown will be monitored and his IEP Review on a monthly basis. Franklin will also place him on Academic Probation for the remainder of the first semester. This will put him over the required 10.0 credits needed. He will also be enrolled in night school after the first quarter. At the end of the year he will have gained 9 credits and be at 17.5 credits entering his senior year!

Sincerely,

Scott Santangelo
