To Whom It May Concern,

My name is Tessa Musil and I am currently Jesse Abel's Case Manager at J Bar J Youth Services. I am writing this letter to share some insight into how diligently Jesse has worked over the past eight months to earn credits toward attaining his High School diploma. He has willingly participated in two sessions of summer school and as such, has been able to earn an additional 1.75 credits. Jesse's teachers report that he is respectful in class, works diligently, and completes all assignments thoroughly and on time. Jesse actively engages in all opportunities to further his education; he not only recognizes the value of completing High School, but also the importance of continuing education.

By providing Jesse the opportunity to participate in football, you will be recognizing the hard work that he has shown while gaining remedial credits. Jesse is dedicated to completing school, and has a strong support group that encourages educational prosperity.

Please let me know if you have any additional questions.

Respectfully yours,
Tessa Musil
