September 10, 2015

Dear Tom,

The purpose of this letter is to request a Satisfactory Progress Waiver for Jesse Abel. Jesse is a junior this year. He is also a student at our local boys home, J Bar J Ranch, thus a ward of the court. Although he completed several courses over the summer, he is not making Satisfactory Progress toward graduation by .25 credit (has 10.75 credits, but should have at least 11). According to his case manager, Jesse has worked hard to catch up and will be enrolled in a full load of core classes as well as a credit recovery course to get back on track.

Jesse has finally had enough success at The Ranch to be allowed to attend public school. This is an achievement on its own. I believe this caused him to begin to get serious and start turning things around. Our plan would also include weekly grade checks for Jesse through at least the first semester.

Jesse would like to participate on the football team this Fall. I sincerely believe participation in athletics will be another significant motivator in his life and assist him in being a turnaround student who will be staying on top of his academics from here on out.

Thank you for your attention to this matter. Please contact me if you have questions or concerns.

Sincerely,

Dave Hood
Athletic Director

To Whom It May Concern,

My name is Tessa Musil and I am currently Jesse Abel's Case Manager at J Bar J Youth Services. I am writing this letter to share some insight into how diligently Jesse has worked over the past eight months to earn credits toward attaining his High School diploma. He has willingly participated in two sessions of summer school and as such, has been able to earn an additional 1.75 credits. Jesse's teachers report that he is respectful in class, works diligently, and completes all assignments thoroughly and on time. Jesse actively engages in all opportunities to further his education; he not only recognizes the value of completing High School, but also the importance of continuing education.

By providing Jesse the opportunity to participate in football, you will be recognizing the hard work that he has shown while gaining remedial credits. Jesse is dedicated to completing school, and has a strong support group that encourages educational prosperity.

Please let me know if you have any additional questions.

Respectfully yours,
Tessa Musil
Case Manager
