Credit Recovery Plan for Ajay Hulse

Credits Needed for OSAA Eligibility

Current Credits- 9.75

Credits Needed for OSAA- 10

Ajay is short .25 credits to be eligible to participate in sports per OSAA. He was enrolled in an Alternative High School last year and worked on only five classes per quarter. He did earn credit in all five classes for the last two quarters. He is now enrolled at our high school and taking seven classes per day. He needs to pass all his classes this year as well as complete .25 English online to be back on track to graduate by the end of his senior year.

To recover the .25 English, Ajay will be enrolled in an online course that he will need to complete outside of school hours.
