To Whom It May Concern:

Aaron Silva is not currently on track to graduate this spring.

Aaron's family went through some tough times during last school year. He genuinely wants to compete in his senior season of football.

Aaron has been part of the Aloha program over the past years and has become an honest and reflective young man with the help of football. Aaron has been extremely respectful through this process. He is a young man that looks people in the eyes and shakes hands with conviction. I think he would continue to benefit from being part of our program in which positive adults surround him.

Dear OSAA,

Hello, I'm writing this letter of hardship asking for earliest possible eligibility for the 2015 season of Aloha football. This past school year(Junior year) I only passed 4 classes in my schedule but OSAA rules show I need to pass 5 during prior semester of school. I ask for this hardship due to the fact during the beginning of the new semester I was taking on twice as many hours at my job and also working almost everyday of the week to try and support myself making life easier financially for my Dad. Also at this time my parents had split up and I moved to a new home living with my father and my younger brother, trying to help my brother understand the situation, also with supporting my Dad who was going through a lot of emotional stress. Though it is no excuse for my grades being not what they should be, I ask for this hardship based off of my semester priors grades and with mindset of having a 2.0 or hopefully higher during the semester of this season. I quit my job using my last pay check to pay for the registration for this season, and am more than dedicated to my school year grades and the Aloha football program than years past. If able to return at soonest possibility, myself and my family would be extremely thankful for the understanding and kindness you've shown me. Thank you very much for your time to read my letter.

Sincerely,

Aaron Silva

To whom it may concern

Hi I am Ed Silva, Aaron Silva's father. I am writing this letter to verify to you that Aaron Silva's letter of hardship to the OSAA is truthful in its content. He was in fact holding down a job & working many hours per week till closing at the DQ on Farmington Rd. On top this he was also enduring the stress of his parents splitting up & moving from the home he had grown up in.

I hope you will consider allowing him to play football this year, I believe having football back in his life will help him to stay focused on keeping his grades up & he has resigned from his job at DQ so that he can focus even more on school. Please if you have any questions feel free to call me.
