RE: Jorge Hernan Hernandez Huerta

Please see attached eligibility request form involving Jorge Hernan Hernandez Huerta, current North Marion High School student. We are filing this eligibility request based on Jorge's lack of credits prior to the start of his sophomore year (3.09 earned, needs 4.5).

Rule 8.1.2 – Satisfactory Progress Toward Graduation

Jorge's case is very unique; he is a student that has lived a tough life and was required to work at an early age instead of attending school. Jorge came to North Marion during 2nd trimester of the 2014-2015 school year from Mexico. While in Mexico, he attend school through elementary school and then was needed to secure a job to help provide for his family. Due to this circumstance, his father, moved Jorge to the United States to live with him and to receive an education. Please see attached documents explaining the situation.

Currently, Jorge is schedule with a full class load and is working with his father and support staff making sure that he is and will be accountable for his academics. When Jorge leaves North Marion, he will with a diploma and positive high school experience.

If you have any questions regarding this situation, please feel free to contact Brandon Fricke - 503.560.0449.
