Dear Matt:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA rules. After carefully reviewing all of the information that you have submitted, I have concluded that the student is not eligible at this time. However, the circumstances surrounding this situation warrant that the student's academic progress be closely monitored and eligibility will be granted on the above date if the student is meeting OSAA academic requirements at that time.

The student will be eligible on the above date if she is attending school regularly (no unexcused absences) and is meeting the goals and objectives of the Individualized Education Program (IEP). The school shall conduct weekly monitoring to insure the student continues to meet these conditions. If the student fails to meet these goals and objectives at any time, then eligibility is revoked. Any request for future eligibility would have to be resubmitted to this office for consideration.

I sincerely hope that this student will benefit from this waiver.

Sincerely,
