Dear Ryan:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA Rule 8.1.2 (Satisfactory Progress Toward Graduation). After carefully reviewing all of the information that you have submitted, I have concluded that there is sufficient evidence to grant eligibility at this time. Documentation has been submitted to indicate that the school has put the student on a credit recovery program that will enable the student to be able to graduate on schedule.

Conditions of this eligibility shall be weekly monitoring by the school of the student's grades, the student must be attending regularly (no unexcused absences) and passing ALL classes each week, and the student must complete his credit recovery plan to graduate in June 2016. If the student fails to meet these conditions then eligibility is revoked.

It is our sincere hope that this waiver will be of benefit to the student.

Sincerely,

A handwritten signature in black ink that reads "Tom Welter".
