Hardship Letter for Viktoria Valkyova

September 10, 2015 8:27 PM

---

Good evening Lori,

Please let this email serve as the Hardship Claim letter for Viktoria Valkyova's, our exchange student, participation in Canby High School sports. It is necessary for Viktoria to attend Canby High School and play sports for Canby High School because our natural daughter, Kennedy Birley, is a Canby District student through the Open Enrollment process and is Viktoria's transportation to and from school, school activities and sport practices.

Best regards,  
Stacy M Birley
