

Letter of Explanation

September 15, 2015

To the Members of the OSAA

My name is Brady Lowe and I am a senior, I have recently moved from Polson Montana back to Jefferson OR. The purpose of me moving back to Jefferson is because this is where I want to start my future as a young adult. Jefferson is my home at heart and this is where I want to be. All my friends and my family are here. I have the pleasure of living with my best friend Brandon Roe and his family for this final year of high school and I hope and intend to make this year one of the most memorable years of my life. I am here today to ask you if you would allow me to participate in athletic activities at Jefferson High School. I am really excited to be out on the field with all my friends playing the games we all love.

Thank you for your time and thoughtful consideration

Letter of Explanation

September 15, 2015

To all Concerned and involved, Greetings!

My Name is Tracy Roe, I am a Father and a Parent to 5 children and a Grandfather to 4 children with number 5 on the way.

I have resided in Jefferson for 23 years and I have been very active with the Jefferson School District for the majority of all of those years.

All of my children have attended the Jefferson School District and one of the greatest benefits that comes with that is developing relationships with my children's friends as well as their parents which brings me to my explanation.

Brady Lowe is the best friend of my Son Brandon Roe. Brady and Brandon have been friends since 2001 and have attended Jefferson School District 14 J since kindergarten. Brady attended Jefferson School District up until the first quarter of his sophomore year. During that time he developed many peer relationships with many of the children in our town. Prior to his sophomore year Brady's parents divorced and his Father Kent Lowe was granted custodial rights for Brady and he moved to Polson Montana with his Father.

Kent Lowe called me and asked me if my wife Jacque and I would be willing to become temporary guardians for Brady so that he could return to Jefferson to finish his 12th year here and graduate with all of his friends. He also desires to play sports for his senior year because he has not played any sport since his freshman year here at Jefferson. Jacque and I have agreed to take on this responsibility with open arms and enthusiasm.

Would you please consider Brady as eligible to participate in sporting events for the duration of his senior year at the Jefferson High School 14 J in Jefferson, Oregon?

Thank you for your thoughtful consideration

Respectfully,

Tracy & Jacque Roe
