Re: Pablo Cordobes Fernandez

To Whom It May Concern;

As the ICES Regional Director of Oregon, I would like to verify the following details regarding the placement of Pablo Cordobes Fernandez with Gilbert & Kristara Lopez of North Bend:

- At the time the Lopez family decided to host, North Bend High School had already reached their limit for exchange students for the school year.
- I asked them if they would be willing to have their exchange student attend Marshfield, and they agreed.
- Pablo was not in any way recruited for his athletic ability

In light of these circumstances, I request that you grant him a Hardship Waiver so he can participate fully in student life at Marshfield High School this year.

If you need additional information, please don't hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads 'Kari Owens'.

MARSHFIELD HIGH SCHOOL ATHLETICS

Sept. 16, 2015

Tom Welter, OSAA Executive Director
Oregon School Activities Association
25200 SW Parkway Avenue, Suite 1
Wilsonville, OR 97070

Mr. Welter,

I am writing with a request that Pablo Cordobes Fernandez, ICES foreign exchange student, be allowed to participate in athletics at Marshfield High School even though he resides with a host family that lives in the North Bend School District. Pablo was placed with this family prior to realizing that North Bend would not accept more than 5 exchange students for this current school year 2015-16. The family agreed to host him and transport them to Marshfield High School. Due to these circumstances I would request that we would allow him the opportunity to fully participate in the entire school experience including athletics. I will be attaching a copy of his Interdistrict Transfer Agreement that North Bend School District signed releasing him to attend our school.

Thank you for your time and consideration for participation.
