Dear District Committee,

The purpose of this letter is to advocate for Andrew Lowe to be eligible to participate in athletics at Sandy High School for the 2014-15 school year. Andrew is coming to Sandy High School from an on-site treatment facility in Costa Rica. His parents reside in Florida (where Andrew is from), as Andrew has taken up residency with his now legal guardians in the Oregon Trail School District. He is a good young man and an excellent student, as you will see on his transcripts. I believe that his participation in athletics would help his transition to Sandy High School and feel that his transfer is in no way athletically related.

Thank you for your consideration of this request.

Respectfully,
Wade Lockett

Sandy High School

To Whom It May Concern,

I've been told that I am required to write a letter about the circumstances which have brought me to Sandy High School, in order to be eligible for competition in cross-country. In an effort to speak with brevity, I am in Oregon living with a family who agreed to take me in after I left a treatment center. I am in Sandy now, because it is a more stable emotional environment, for me, than Florida was when I was living with my family.

I have known the family I am living with since I was young and they are helping me get back on my feet now that I have left treatment. One aspect of maintaining balance in all areas of life is staying active. This doesn't just mean cross-country, it also applies to schoolwork and social interactions. I am grateful for the opportunity that I've been given to run cross-country at Sandy High School and believe that it is an important and useful thing for me in maintaining sobriety and healthful living.

Thank you for your time and consideration.

Sincerely,

Andrew Lowe
