

Subject: Tristan's letter

Date: Tuesday, September 15, 2015 at 8:12:04 AM Pacific Daylight Time

From: Tristan Blackburn

To: Dave Hood

Last year was an unfortunate year because I only went to school about 2-3 times a week but now that my aunt and uncle take care of me just on school days I'll be at school everyday of the week. Especially now because I'm doing cross-country and to go to the practice I need to be at school doing my class work everyday, but I still live with my mom and grandma and I go to see them every chance I get.
