

Titus Grabow went to McMinnville High School. He decided to move in with his mom, Juli Grabow because he didn't like McMinnville High School. Around the end of June he moved in with her in Tualatin. Titus signed up for Tualatins Football Program. He practiced with Tualatin High for about a month and a half. Juli was hired for a new job in Salem. She moved down there about 3 weeks ago. Titus didn't want to go to a Salem school, so I asked him if he would give McMinnville High School one more chance and he said yes. Now hes back living in McMinnville.
