

I was living and going to school in McMinnville last year. During end of June I moved on with my mom because I didn't like McMinnville High School. I moved to Tualatin with my mom, Juli Grabow. When I moved to Tualatin, I signed up for the football team. Practiced with Tualatin for about a month and a half. My mom got a new job in Salem. I didn't want to go to a Salem school. My dad and I agreed to give McMinnville High School another chance. 3 weeks ago I moved back in with my dad.
