

9/10/15

To the Principal of Aloha HS,

My name is Laurie Beltran and I am the mother of Kristopher Beltran. I am writing this letter to inform you of my reasons for requesting and transferring my son to Aloha HS. I had moved us last year to the Beaverton area in order for me to be closer to my work. However, this transition has not been favorable to my sons education. We had been a part of the Aloha community for all of his early education; he attended Beaver Acres Elementary School and Five Oaks Middle school from K-7th grade. After our move, his last year at Highland Middle School was very difficult and I felt it was a challenge to open the necessary lines of communication with the school to assist him. His grades have suffered and I very much would like to see him succeed and do not want my work commute to interfere with his education and growth. Community is very important to us and I know that keeping him in the Aloha district will help greatly in getting him back on the right track. Should you require any additional paperwork or information from us, please don't hesitate to contact me at 503-956-1260.

Yours truly,

Laurie Beltran
