To the Principal of Aloha HS,

My name is Laurie Beltran and I am the mother of Kristopher Beltran. I am writing this letter to inform you of my reasons for requesting and transferring my son to Aloha HS. I had moved us last year to the Beaverton area in order for me to be closer to my work. However, this transition has not been favorable to my sons education. We had been a part of the Aloha community for all of his early education; he attended Beaver Acres Elementary School and Five Oaks Middle school from K-7th grade. After our move, his last year at Highland Middle School was very difficult and I felt it was a challenge to open the necessary lines of communication with the school to assist him. His grades have suffered and I very much would like to see him succeed and do not want my work commute to interfere with his education and growth. Community is very important to us and I know that keeping him in the Aloha district will help greatly in getting him back on the right track. Should you require any additional paperwork or information from us, please don't hesitate to contact me at 503-956-1260.

Yours truly,

Laurie Beltran

Beaverton School District APPLICATION FOR ADMINISTRATIVE STUDENT TRANSFER

1. Student application for administrative transfer may be initiated at any time during the year by a parent/guardian, eligible student, or administrator.
2. The Administrative Student Transfer Form must be submitted to the student's home school principal. The home school is the school the student currently attends or would normally attend during the school year for which the request is made.
3. The principal of the student's home school must initiate contact with the principal at the school where the student has applied to attend. The transfer approval will be based upon unusual circumstances in which a transfer would be in the best interest of the individual student and/or school. Principals must agree to the transfer. When considering administrative transfers, principals cannot accept transfers that result in a negative financial impact associated with class size, student housing, etc. Their decision is final and there is no appeal.
4. Parents/guardians are responsible for providing transportation, which complies with school hours. The District will not provide transportation unless there is space available on a bus and there is no additional cost. Students in the no transportation zone for each school requesting to be transported will have preference over the administrative transfer students requesting transportation to the same school.
5. The receiving principal reserves the right to revoke the administrative student transfer for the following reasons: student behavior, attendance, or academic achievement.
6. Copies of the completed application will be distributed by the receiving school principal, pending a letter or telephone conversation with the parent/guardian of the student, regarding the final recommendation.
7. High School Only: OSAA Constitution and Rules provide that any student who attends a high school as a result of undue influence may become ineligible and the high school could be subject to penalties. OSAA rules also require approval by both the sending and receiving high school principals, and approved by the Superintendent's Office. Student eligibility is subject to OSAA guidelines.
