My entire family relocated from Klamath Falls to Bend, Oregon a week prior to school starting. They are purchasing a home in the Bend Senior High district. I attended football practices during the summer at a high school in Klamath. This was a very last-minute move that I did not expect or get any warning of. It will mean a lot for me to be able to participate in football to meet new people and improve in a sport.

Thanks,

Kobe Senn

A handwritten signature in black ink that reads "Kobe Senn". The signature is written in a cursive, slightly slanted style. The first name "Kobe" is written with a large 'K' and the last name "Senn" is written with a large 'S'.
