Dear IMC Committee,

The purpose of this letter is to request a Transfer & Satisfactory Progress Waiver for Francisco Pippen. Franky is a junior this year. He moved to Mountain View at the start of second semester last year (2-2-15) to live with his dad. Looks like he has bounced back and forth between mom (Riley, OR) and dad. He is a nice boy who is also behind in credits (9 of 11 needed to start junior year). Dad, Franky and his counselor have come up with a plan to be enrolled full time each semester as well recover credits through summer courses. This will put him back on track to graduate with his class.

Franky would like to participate on the football team this Fall. He has been very patient as we made him grade check repeatedly to be sure he was working on homework in his classes. I sincerely believe participation in athletics will be another significant motivator in his life and assist him in being a turnaround student who will be staying on top of his academics from here on out.

Thank you for your attention to this matter. Please contact me if you have questions or concerns.

Sincerely,

A handwritten signature in black ink that reads "Dave Hood".

To Whom It May Concern:

Thank you for the opportunity to present to you our concern.

It is not easy to beg, but I will do anything for my son! He really wants to play, I know because he rather go to the practice than play "destiny" (video gaming) and he talks about it all the time.

He is missing 2 credits to play and he knows it. He is willing to do what it takes to fix this matter. Speaking on his behalf, most of his life he was in a single room school with 11 other kids or so where the teacher had no interest in teaching and/or keeping them accountable. They did not offer a sports program in the Riley Oregon, Suntex School. The teacher that was teaching during Franky's K-8 grades is no longer employed with the school district, however, too late.

I was not aware of the lack of education Franky was receiving until he came to live with me his 7th grade year and attended Elton Gregory Middle School. This was a huge change for Franky as the school was very large with lots of students. He did go out for football and played with the team that year. Franky tried hard and did great his 7th grade year but when his peers were doing Marijuana and offered him to try and he refused to do it, he felt like he didn't fit in and was overwhelmed with the size of school. His grades were acceptable that year and he learned a lot, however, he went back to Riley, Suntex, school for his 8th grade year and live with his Mom.

His Freshman year he was to attend Crane High School which is a boarding school situation. Franky was too overwhelmed with being away from home during the week so he and his Mom decided to do Silvies River Charter School and do his education from home. He did his courses online from home and meet with a teacher from Silvies River once a week in Burns to check on his progress.

Franky realizes that he needs the accountability of a classroom setting and that he has made mistakes and is making better choices. He came to live with me January 2015, second semester of his Sophomore year where he passed 5 of his 7 classes. We didn't have time on our side and the classes Franky was able to take might not have been the best fit for him. We are meeting with his counselor this week to figure out a program to get him on track to Graduate with his class in 2017.

I had a talk with him and let him know what becoming an adult means and how someday he will start his own family. I can tell the light finally came on and he has decided to stay in Bend at Mountain View High School and to finish strong.

Your sports program is a huge part of the motivation we need to keep him in high school and stay on track. Thank you for your time and I hope to have your cooperation and good will to keep going forward.

Sincerely,

Noe Moreno

I am writing this because I made mistakes in my past and that really affected my future. I want to play football because it builds my physical and mental abilities. I also want to be able to play for my family. My Mother for instance was excited that I got on the team. She always sits around the house and now that I got on the football team it gives her a reason to get up and move. She really wants to come to my games and cheer me on.

Thank you,

Francisco Pippen

To Whom It May Concern:

I am writing this letter in regards to Fransisco Pippen and his eligibility to play football/athletics for Mountainview High School. Fransisco was a Silvies River Charter School student until he transferred to the Bend School District after the first semester of the 2014-15 school year. I have no knowledge of efforts by Mountainview High School to recruit Fransisco to participate in football or any other athletics for them. However, it is my knowledge he transferred to the Bend School District in order to move in with his father.

If you have any questions, please do not hesitate to call me at 541-589-2401 or email me at [s.farrens@silviesrcs.org](mailto:s.farrens@silviesrcs.org).
