To Whom It May Concern:

Jose Valladares has been my student at North Salem High School since 2014.

In the classroom, Jose's eagerness to participate in a variety of activities to promote his English language acquisition, indicates a willingness to be successful. He is always ready for a challenge and is deserving of any opportunities.

I feel confident that whatever sport or activity Jose should choose to pursue, he will do so with a positive, can-do attitude. Playing soccer would be advantageous for Jose, allowing him to increase his school participation and improve his language skills.

Sincerely,
