Dear Mr. Welter,

I write this letter on the behalf of Marckus Alvarado. Marckus is a fantastic student athlete. He works hard on the soccer field and in the classroom. Marckus lost some focus second semester his junior year, and failed 3 classes, and passed 4 classes. Marckus is on track to graduate with 17.5 credits towards graduation and he is VERY focused on graduating in June. With that, I submit this hardship hoping the OSAA will grant Marckus eligibility to finish out the second half of his senior soccer season. I have not submitted this hardship previously to ensure that Marckus's attendance was consistent, his focus in class was present and his energy was geared towards graduation and not just soccer. Marckus is doing all of those things. He is enrolled in credit recovery currently completing US History credits and English credits. My concern is that in order to complete credit recovery well and pass the course needed to obtain five passing classes, Marckus will miss his whole senior soccer season. I ask that you grant Marckus the second half of his senior season to compete for Milwaukie High School. I will complete weekly grade checks with him, and ensure that he not only completes his soccer season successfully in the classroom, but also walks across the stage in June with his graduating class.

Thanks for your consideration!

Sincerely,

K.T. Emerson
