Dear Cassandra:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA Rule 8.1.2 (Satisfactory Progress Toward Graduation). I have carefully reviewed all of the information that you have submitted, and I have concluded that eligibility should be granted because the student is on a Section 504 Plan and the student is making adequate educational progress towards meeting the goals and objectives outlined in the 504 Plan.

Conditions of this eligibility shall be weekly monitoring by the school to ensure that the student attends school regularly (no unexcused absences), is passing ALL classes and completing the necessary credit recovery courses that he did not pass last year in order to be back on track toward graduation by the start of the 2016-17 school year, as well as, continuing to meet the goals and objectives of the 504 Plan. If the student fails to meet these conditions, goals and objectives at any time, then eligibility is revoked. Any request for future eligibility would have to be resubmitted to this office for consideration.

I sincerely hope that the student will benefit from this waiver.

Sincerely,

A handwritten signature in black ink that reads "Tom Welter".
