Dear OSSA,

I am writing to request a hardship waiver. The reason why is so I can join my brothers on the field and help contribute to victories, hopefully not losses though. I am not eligible to play right now due to not receiving 2.5 credits last trimester at Willamette Leadership Academy (WLA).

Why I deserve one is because of how committed I am to the team, this school, and doing the right thing. Another reason is because at WLA I didn't get the help I needed even when I was on my 504. They said they would help me but instead they put me off. They didn't honor their side of the 504. One more reason is that I got suspended near the end of 3rd quarter and was told I would be granted two weeks to turn in the work and get full credit. Instead of doing that and letting me finish my finals, I was given "f"s and grades were finalized. I get that I am not eligible and I and I've made mistakes. I'm turning this around and the only thing I wish is to play.

Have a good day. I hope you consider my case.

Sincerely,

Matt Warren
