

My name is Kaitlyn Lobato. I'm writing this letter to tell you why I think I should be eligible for sports. My last School year was really messed up. My mom and I were homeless when school started. I started school in Myrtle Point. I felt I was being bullied by teachers and students so my mom let me go to Winter Lakes. I didn't understand how to do their online classes and got further behind in school. We then moved to Winston with my dad and they wouldn't let me start school for over a month because the semester had already started. So I got further behind again. I came to Myrtle Point to visit my grandma and was hurt by a grown man which now involves cops, court, and other appointments. My parents got a divorce and now my mom and I are once again homeless. I will be going to school in Myrtle Point this year and I would really like to play sports. I could really use some happiness in my life. Please help me with this. I will try my best in my classes and try whatever it takes to get caught up.

Thank you,

Kaitlyn
