

Hi my name is Melissa I've been part of parkrose since kindergarten I've been playing soccer since 4 grade and I've been staying committed I'm a respectful, loving, kind, hard working, and also a funny person I love to help other people on giving advice as like yes, you can do it you just got to push your self and that what I've been doing. I've been struggle in school until I was put on a modified diploma after my sophomore year. once I hit my junior year I've pass all my classes because I've been studying and I know that I'm going to graduate high school.

But please look at my graduation plan, I know I'm behind credits but this going to help me graduate on time and all I'm asking is to please

give me permission on
playing soccer this year.
