Dear Sky-Em League Hardship Committee

This letter is written in support of Rachael Rucker and her hardship request. Rachael is a former student in our district who was moved into foster care prior to her freshman year. She attended Churchill High School in Eugene while in foster care. She has returned to her family but as you see she did not do well her third trimester of her freshman year at Churchill. Her attached letter gives some explanation. Rachael has an Individual Education Plan and we believe involvement in athletics will be of benefit to her.

Thank You for your consideration of Rachael request
