Dear OSAA - Tom Welter,

Please accept this letter in support of Steven Zepeda's request for eligibility. Steven came to me in August explaining his situation. I told him that I could not support his request at that time. I advise him that if he continued to practice with the football team, maintain excellent attendance, and have stellar grades that I would support his request after three weeks had past. It has now been four weeks and I received the last grade from one of his teachers. His attendance and productivity is greatly improved..

I do think athletics is in the best interest of Steven. The support he receives academically from his coaches is invaluable. My recommendation would be to restore Steven's eligibility based on continued stellar attendance and grades. If you have questions please call.

Sincerely,

Ronald J. Richards CAA
