Hi Tom my name is jose Garcia I am the head coach from McLoughlin High school in Milton freewater. We or Jay Rodiguiero just sent a petition so you guys can let Antonio Diaz play for our high school his last yerar. Antonio will be a great addition to our team due to shortage on players this year. Mac-Hi is always competitive and had made it to the play offs for the last 15 years or so. Please consider him and let him play his last year, this is one reason he is attending school and be able to graduate. Thanks for your attention to this matter and hope to hear from you soon. Without him our hopes to make it are slim.

Thank you.

Jose Garcia

McLoughlin high school head coach.
