I am writing this letter in full support of Shane Bryan's pursuit of hardship eligibility. Clearly Shane had an extremely difficult second semester and I have talked at length with his parents regarding measures that have been taken and need to be taken in order for him to remain healthy and engaged in school. He was a strong student prior to second semester of last spring. Shane is the quintessential example of a student that would benefit tremendously from his continued involvement in sports. His ability to be successful actually depends on it.

Thank you for your time!

Sincerely,
