Why I think I should have the chance to play football with the grades I have. I moved here because I was not doing that good in school I did not care whether I passed a class or not I had no motive. Now I have one I want to do something with my life and enjoy it. I want to pass my classes I want to be a better student that's why I moved here, for a fresh start now I have that chance to do that and I'm going to take full advantage. I hope that u may be able to see that I am succeeding in my goals and I hope u can help me with this goal.
