

To Whom it may concern,

My name is Bennett Rodgers and I have just transferred back to Eagle Point. I have decided to transfer back because it is where I grew up and always dreamed of going to school. When I was going to be a freshman, that summer my parents made me go to North Medford because of some family problems with my sister. My sister just graduated from North Medford, so my parents are letting me go wherever I would like. And ever since I transferred to North I couldn't wait to go back to Eagle Point. And I just want to graduate and play sports with my friends that I grew up with.

Thank You
