Max Hoffmann was placed with us because we know his great aunt who lives Bend and we had met him two years earlier when he was on vacation.

I have been contacted by the OSAA about Max being a direct placement. Can you please do two things for me:

1. Can you send an email to me stating why Max has been placed with you this year for his exchange program.
2. Please sign the Affirmation Statement and scan back to me or drop off ASAP.

Thanks,
