

Bailey
Thompson

Hi my name's Bailey Thompson and I transferred from North Valley to Hidden valley. The reason I transferred was because my mother got a job. We do live in the Hidden valley district and the only reason I was going to North valley was because my brother was going there but he graduated last year. So with my brother gone and my mom getting a job I couldn't make it to school. Transferring to Hidden valley allowed me to go to school and I can actually get to school now.
