Dear IMC Committee,

The purpose of this letter is to request a Transfer & Satisfactory Progress Waiver for Jesse Ammerman. Jesse is a junior this year. He moved to Mountain View during the summer this year to live with his mother. Jesse has had a tough home situation with his mom moving to Bend. He has finally moved here with her and is way behind. In fact, his credit recovery plan involves staying for a fifth year too acquire enough credits to graduate.

Jesse would like to participate on the football team this Fall. He has been very patient as we made him grade check repeatedly to be sure he was working on homework in his classes. I support Jesse's participation in athletics as this will act as a significant motivator in his life and assist him in staying on top of his academics from here on out. Our plan would be to keep him on the weekly grade checks (2.0 GPA min.) for the remainder of the year.

Thank you for your attention to this matter. Please contact me if you have questions or concerns.

Sincerely,

Dave Hood
Athletic Director

Dear OSAA members

My name is Jesse Ammerman I am asking for you to allow me to play football this year. I have recognized the decisions I have made in my freshmen and sophomore years were destructive and did not benefit my future.

I had some things change my life starting with my freshmen physical. I was diagnosed with a heart condition and was told I may never be able to play football again. I have played since I was 8 years old as well as watching my brother play. I am the youngest of 5 brothers. My 2nd oldest brother Aaron played for Springfield high school so the coaches had watch me over his years in high school so they were very excited when I finally made it to high school. Of course the one year I waited for, for so long was stripped of me. I became angry and depressed, then my brother who was my only male figure in my life left to become a Marine. I felt like everything was falling apart in my life. Everything seemed stupid and unnecessary. I didn't have the one person who pushed me to do my best not only in sports but in school and in everything I did I felt lost. Just a few months later my mom moved me to Bend without any warning taking me away from the only place I knew where I was born and raised. I was angry with everything and everyone. I felt like I had nothing. My mom had me move back to Springfield thinking I would do better. I started living with my 21 year old brother and his family, that didn't work, I ended up missing school to babysit my baby niece and nephew. My life was in a bad place.

I have since made the choice to move back with my mom because I need my parent and her guidance to be successful in school and do better for my future. I want to meet my goal for graduation by going to school doing my credit recovery class as well as do well in my other classes so I can graduate on time. Being a part of a team means the world to me and I ask you to please consider letting me play football now that my life is on track and I'm working hard in school. I like the structure of being part of a team.

Thank you,

Jesse Ammerman

Dear OSAA members,

My name is Christine Stewart, I am the mother of Jesse Ammerman. I am asking you to please consider allowing Jesse to play football. Jesse struggled in his freshmen year as well as sophomore year, he was hit with with heavy life changing issues that shut him down as a person.

Jesse has played football since he was young as well as watch his older brothers play all the way through high school. Jesse couldn't wait for his freshmen year to play for Springfield High school. Jesse was faced with a heart condition during his freshmen physical preventing him from being apart of any sport. Jesse was so angry and depressed wanting to know why out of 5 kids is he the only one with a heart condition. Jesse has been finally cleared in his junior year to play.

Jesse was also having to handle having his mentor, friend and brother who he watched play football, helped him with homework he was like his best friend leave to protect our country as a Marine, this caused Jesse to fall even more not having the support of his brother Aaron.

The final straw for Jesse is when I moved from Springfield to Bend to better my life as well as take care of Jesse better. He was forced to move here his freshmen year this caused more harm then good. Jesse was sent to live with his middle brother where he was out of my care. He didn't have the guidance he needed. Jesse was under bad influaces in Springfield where he struggled day to day. Jesse made a life changing decision to move back to Bend with me, Jesse wants to graduate high school by working hard to attend school daily, keep up his grades and work hard in his recovery class to get back on track for graduation.

As hard as it was for Jesse to make the move here to better himself and move forward in his future playing football and graduation being part of a team gives him a structure he was lacking the last 2 years.

Jesse is on a much better path now, I hope you will give him the opportunity to get back some of what he lost and longed for back. Jesse's brother is also now mentoring Jesse as well as having the guidance and support at home.

Sincerely,
Christine Stewart

To whom it may concern:

Jesse Ammerman was a student at Thurston High School during the 2014-15 school year. Although Jesse did not participate in football at THS, we feel it would be good for him to participate elsewhere.

Sincerely,

Justin Starck
